Jonah (Narrator): Cycling to the Finish!
The gang are taking a break at the plain field as they are chatting

Avery: Hey. Ty. What is your next goal after you compete in the Indigo league?

Ty: Well, after I'm done with my Indigo Plateau if I win, I'll continue training my pokemon, making the strongest of my team. And I'm interested to visit other regions for my next adventure, like gym battle and competition.

Sarah: That is a great plan for you, cousin. You'll be the next champion after you defeat Ash.

Ash: As long as he's ready, I'll be waiting for him.

Max: He's still the champion, and he's not giving up his title yet.

Dawn: He'll do his best, Max. Facing Ash will be very tough.

Ash: **Smile** That is why I'm right here.

May: You two will make a good trainer.

Sakura: Yeah, by using your strength and techniques. That way you'll be ready when you are.

Ty: I will soon enough, Sakura.

Teddiursa: Teddiursa.
They all had a conversation about Ty's goal for next time. A moment later, they resumed walking

Max: Ahh, I can walk completely.

Jonah: You're feeling better now, huh Max?

Max: Yeah, I guess all the rest did the trick.

May: **Smile** At least you're improving, little brother.

Max: I'am, big sis.

Ty: Now that we are fully rested, let's continue to Olivine City.

Avery: Hm?
Before they resume walking to Olivine City, Avery noticed something at the distance

Avery: Hey, guys. What's that over there?

Ash & his friends: Hm?

May: Huh? What is that?

Ty: They're many outdoor tents. Is there an event like this?

Dawn: Let's go and see.

**The gang chooses to see something going on at the plain field, however, it turns out to be a park with a race tracks with many trainers with their pokemon and crowds"*

Max: Whoa.

Raye: What is this?

Lillie: Looks like an event going on.

Dawn: I wonder what it is?

Announcer: Hello trainers and welcome to the annual Johto Bicycle Racing Competition! Whoever makes it down to the end of the cycling road first wins a Pokémon egg as a grand prize! And, during the race, you get to use your pokemon to speed up yourself or slow them down others!
The announcer holds up a Pokemon Egg, determined for any trainers to win as a grand prize

Ty: Whoooooaaa... That looks awesome!

Jonah: Wicked!

Teddiursa: Teddiursa.

Announcer: This race will currently have twelve competitors. Anyone wishing to sign up should do so now, and choose your bicycle wisely!

Max: Look at those bicycles.

Ty: I just had a thought. Since we can resume our journey later, I'm going to compete.

Sakura: **Smile** Are you going to compete in the race?

Ash: **Smile** That's awesome.

Pikachu: Pika.

Manaphy: Mana.

Raye: That will be intense, Ty.

Ty: Yeah, I'm going to win that pokemon egg, trust me, I can do it.

Teddiursa: **Happy** Teddiursa.

Ty: Of course, buddy, you can be my assistant for the race.
Ty decides to compete the race, with his friends excited to watch him, except for Sarah, who became a bit worried at her cousin. Before their can began an hour, Ty was looking at the selectable bicycles to choose for rental

Ty: Let's see, which one should I pick, the blue one. No, the green and yellow, nah, or maybe...oh man, there are so many to choose. Which one should be better...

Teddiursa: Teddiursa.

Ty: Huh?
Teddiursa pointed out a bicycle with red and black color appearance, he smiles

Ty: **Smile** Yeah, an excellent choice, buddy.

Ash: Looks like you picked a better bicycle for your race.

Ty: Yeah, Ash. This one will be my perfect win.

Jonah: You think you can win with this?

Ty: Yes, Jonah. This is fast enough to win.

Teddiursa: Teddiursa.

Ty: See? He picked one.

Dawn: Try to be more careful while racing.

Ty: It's all right, Dawn. I can take care of myself.

Sarah: **A bit worried** Umm, Ty. Are you up to this? What happens if you don't win?
The gang looks at Sarah, worried at her cousin's safety

Max: What's wrong, Sarah?

Sarah: What I'm trying to say is he doesn't win, I'll be saddened for him.
Sarah became a bit worried while Ty comforted her

Ty: Sarah...I'll make it back, and I'll win the race by obtaining the pokemon egg. I promise that I won't disappoint you.

Raye: Your cousin can win this, Sarah.

Lillie: He'll make you feel better.

Ash: And you'll cheer him up during his race.

Sarah: **A bit smile** ...Thank you, cousin. You too, guys.
Everyone smiles just as Sarah smiled a bit for her cousin

Sarah: I'll be rooting for you, Ty.

Ty: You can count on me.

Teddiursa: Teddiursa.

May: Sorry we were late, guys.

Sakura: We brought lunch for everyone.
May and Sakura came back with their lunch and drinks they bought for their friends

Ash: Sweet. Just in time. Wanna have a quick bite before your race?
Ash offers Ty some lunch before his race, but refuses after he drinks a bottle of water

Ty: **Drinking water** No thanks, guys. I'll eat later after the race. We can handle this.

Teddiursa: Teddiursa.
Later, a few moments before the race, Ty and Teddiursa was getting ready for the while examined their chosen bicycle

Ty: This bicycle is fast enough, so let's get out there and win this, buddy.

Teddiursa: **Smile** Teddiursa.

Raye: We wish you the best of luck, Ty. I know you can do it.

Dawn: You can do this, Ty.

Max: We're counting on you, Ty.

Ty: **Smile** Thanks guys. I'll be looking forward to winning.

???: Are you going to compete as well?

Ash & his friends: Hm?
Suddenly, they were interrupted by some competitor, a male and a female trainer who are competing the race as well

Male Trainer: You picked your chosen bicycle and Pokémon. That's so smart for you.

Ty: Actually, Teddiursa is my partner that I picked after I began my journey, except for this bicycle that I picked.

Female Trainer: That's so cool.

Ash: You guys are going to race?

Female Trainer: Yep, we registered for participation. I can't wait to win the pokemon egg.

Ty: I guess we have to wait and see who wins the prize, cause I'll be looking at it. I'm Ty by the way, nice to meet you.

Female Trainer: The name's Kayla.

Male Trainer: I'm Andre, nice to meet you all.

Kayla: What about your friends here?

Ash: Nah, we're watching him and cheering for him.

Dawn: Hopefully, you'll be nice to him during your race.

Andre: Don't worry, we won't mess with him but I'll still prefer winning the prize.

Kayla: Don't get too excited about the pokemon egg.

Andre: Relax. I'm just too excited about the race.

Kayla: Right.

Max: Hehe, I like those conversations between them.

Avery: Sure they are, Max.

Kayla: By the way, Ty. Is your Teddiursa okay with that? Can he handle the race?

Ty: He can handle this. He'll be my assistant and my great companion, he's ready for the race in excitement.

Teddiursa: Teddiursa.

Kayla: How sweet of him.

???: Does someone mention the grand prize?

Andre & Kayla: Hm?

Ash & his friends: Huh?
They conversation we're interrupted by another male trainer in front of Ash's team, Andre and Kayla

???: Cause I'm here to win it.

Andre: Iosif.

Ash: Hm? He's competing too?

Kayla: Definitely.
The trainer who interrupted them was introduced as Iosif, who claims that he'll win

Iosif: You guys don't stand a chance against me, I will be victorious for winning the race, I bet you guys will end up in the last place.

Kayla: You're just getting in our way. I don't want to see you cause any trouble.

Iosif: Like if I want too.

Ty: You're talking about cheating, aren't you?

Iosif: **Mocking** Oh really? How about if you did it?

Ty: You're gonna have a problem with me, crook?

Iosif: Good ahead, I dare you.
Ty and Iosif began their rivalry face to face surprising everyone until Sarah intervenes

Sarah: Come on you two, there's no need to be an argument right now. Cousin, don't let him get into you.

Ty: Don't worry, Sarah. I don't want to make you worry it's because of him.

Iosif: Hmph.

Max: **Upset** Stop antagonizing him Ty, you're being rude to him.

May: **Restraining** Max, don't get involved with him.

Dawn: **Upset** Iosif, don't be like a tough guy. You won't be against my friend.

Iosif: Will just see about it, cause he won't be able to defeat me. Watch and learn.

Ty: You bet you would.
Ty and Iosif exchange glare look at each other as he leaves

Iosif: See you at the starting line.
After Iosif left, Ty was a bit upset at Iosif's antagonism toward him. Outside at the starting line, all the participants are ready for their position, Ty and Teddiursa were getting ready

Ty: You ready, buddy? The race will begin sooner.

Teddiursa: Teddiursa.

Ty: **Smile** Hehehehe. That's my friend.

Ash: Hey, Ty. Be careful, he might try something dirty or anything.

Ty: I'll keep an eye on him if he tries to get in my way.

Ash: Just make sure you win the race today, don't get distracted.

Pikachu: Pika Pika.

Ty: Thanks, Ash.

Official: The race begins in two minutes.

Ash: Good luck, Ty.
Ty and Ash handshaked, leaving Ty and other competitors gets to their bicycles while Ash and his friends are sitting the benches watching Ty in position

Lillie: Look at Ty, he's ready.

Jonah: Yeah, and Teddiursa looks excited.

Sarah: **A bit worried**

Dawn: Sarah, you okay?

Sarah: Umm...I'm still worried about Ty.

Dawn: Try not to get worried, your cousin can do this. I recommend you to cheer for him, all of us.

Sakura: Yeah, let's praise for his race.

Avery: He won't lose the race.

Ash: It's going to be an awesome race.

Pikachu: Pika.

Max: Look, the race is about to start.
The gang and the audience watches the fireworks at the sky as the competitors are in the bicycle with their pokemons in front of the baskets are ready

Announcer: Ladies and gentlemen, here we go, the moment that you've been waiting for. The Johto Racing Competition is about to start, to see which of these trainers wins the grand prize!

Ty: Let's make our friends proud, Teddiursa!

Teddiursa: Teddiursa!

Announcer: Everybody, line up to your position!
All the trainers are ready in position while Ty looks at Iosif behind, giving a glare smile at Ty, making him a bit annoyed

Announcer: Get ready...Set...
**The trainers were ready in seconds for the race to begin. Then...it has started*

Announcer: Go!
Everybody blasts off, pedaling as fast as they can

Announcer: There they go, the race just began with the trainers pedaling their bicycles as fastest they can!
The trainers pedals their bicycle faster during their race while Ash and his friends are watching them at the screen

May: Look at them!

Manaphy: Mana.

Jonah: They're pedaling as fast as they can!

Dawn: You can do this, Ty!

Sarah: **Smile**
During the race, one of the trainers, Kipp with his pokemon Nidoran is taking the lead

Announcer: Look at that, folks, one of the competitors is taking the lead in the first place but another trainer catches him closer!

Kipp: Come on, we can do this!

Nidoran: **Squeak**

Kipp: Huh!?

Iosif: Surprise! Magby, use Ember!

Magby: Mag!

Nidoran: **Squeak & shocked**

Kipp: Agh!
Kipp's bicycle wheel was burning, melting in process, eliminated while Ty avoids being knocked out

Ty: Whoa!!

Kipp Ow...

Ty: That was close!

Announcer: Wow!!! Looks like we got our competitor eliminated! We're down to eleven trainers, but they keep pushing forward without stopping!

Sarah: Ty had avoided it, he's still getting through.

Raye: Keep up the good work, Ty!
Ash and his friends are cheering up for Ty while he's still racing as he speeds up his bicycle by pedaling harder

Ty: We can do this, buddy! We can win this!

Teddiursa: Teddiursa!

Announcer: Check that out, folks! He's speeding up his bicycle to get in the first place, and it looks like we got two trainers heading towards him!
While Ty is still racing, two trainers are approaching towards him

Ty: Heads up, buddy! We got company!

Teddiursa: Ursa?
A male and a female trainers corners Ty

Female Trainer 1: Clefairy, use Double Slap!

Clefairy: Clefairy!

Teddiursa: Ursa!

Ty: Whoa!

Announcer: Wow! A Clefairy is attacking a trainer, trying to eliminate him!

Ty: Teddiursa, stop Clefairy with your Fury Swipes!

Teddiursa: Teddiursa!

Clefairy: **Being hit**

Female Trainer 1: Wha–aaagh!

Male Trainer 1: Aaagh!
Despite Clefairy's trying to eliminate Ty, Teddiursa used fury swipes at her, causing the female trainer to lose her balance of her bike, crashing to a male trainer bicycle, both of them were eliminated

Announcer: Ohhh!! We got two trainers eliminated in the process, and he's proceeding forward, ladies and gents!

Raye: Ty is looking good.

Ash: He's making progress.

Lillie: Come on, Ty! You can do it!

Dawn: Don't give up!
**The gang we're cheering up for Ty just as Sarah smiles at her cousin.*

Announcer: All the competitors are going well in this race, but they still have some miles to get to the finish line!
Just as the trainers reaches to the hill, Ty is pedaling his bicycle faster while Andre catches to him

Andre: Hey, Ty! Looking good!

Ty: Same for you! But I'll win! Try to keep up!

Andre: Oh yeah!? Care to dodge this? Wooper, Water Gun!

Wooper: Wooper! Woop!

Teddiursa: Ursa!

Ty: Agh! Hey!
Ty and Teddiursa were splashed by Wooper's water gun, causing to slow down as Amdre pedals his bicycle

Andre: Hahaha, see ya!

Ty: Hah! Is that so? We're not done yet!

Teddiursa: Teddiursa!
Ty continues to race the competition despite he got wet from Wooper's attack

Announcer: It looks like he's pressing forward after he and his pokemon partner were splashed by one of the competitors' pokemon! But this race keeps on going!

Ash: Looks like Ty doesn't give up, he still has his chance for victory.

Pikachu: Pika Pika!

Max: Yeah, and Iosif…**A bit frown** He's not the type to cheat.

Dawn: I don't think it's cheating, Max. It's only a competition.
The gang watches Ty on screen with Max still frowned at Iosif's antagonism from earlier. As the trainers are riding their bicycles on the hill downward, two trainers and Kayla were closer at each other, but she had a plan on time

Kayla: Okay, Marill, distract them with your Bubblebeam!

Marill: Marill!

Male Trainer 2: Whoaa!!

Male Trainer 3: Aagh!
Two trainers crash each other's bicycle on the ground, causing them to be eliminated

Kayla: **Surprised** Oops! Sorry!

Announcer: **Amazed** Oh my!! Two other competitors were eliminated by a trainer's Marill, too bad for these two! We're done to seven trainers left for this race ladies and gentlemen, this race is going wild!

Sakura: He's doing great, guys. I believe Ty will win the race.

Sarah: Come in, cousin! You're gonna win.

Dawn: Let's go, Ty!
Ty and the remaining trainers passes to the bridge just as he and another male trainer closer to bump each other

Ty: Ngh!

Male Trainer 4: Ngh! Out of my way!

Ty: Not a chance!

Male Trainer 4: Try this one then! Rattata, attack them!

Rattata: Rattata!

Teddiursa: Ursa!

Ty: Whoa!! Hang on, buddy!

Announcer: Ladies and gentlemen, we got two pokemons attacking each other, they might cause the trainers to struggle or they will fall into the water!

Ash & his friends: **Surprised**

Teddiursa: Ursa!

Rattata: Rattata!

Ty: Hang on, buddy! Knock Rattata with your fury swipes!

Teddiursa: Teddiursa!
By preventing being eliminated, Teddiursa knocks the mouse pokemon with his fury swipes, causing the trainer losing his balance, suddenly, he and Rattata fell into the water

Male Trainer 4: Oh, Come on!!

Announcer: And there goes the trainer and Rattata falling into the water, that leaves them six trainers left as they are reaching the finish line!

Avery: Look, Ty made it.

Lillie: So far so good.

May: It looks like that Ty is going to make a big win.

Sarah: He's getting close now.
As they are reaching closer to the finish line, Ty catches up to Iosif while Andre, Kayla and other competitors closes by

Ty: Care to let me win!?

Iosif: I wouldn't dare! Magby, ember!

Announcer: Ohh!! His front wheel is set on fire by Magby's ember and it's about to melt!! Can he still race through the finish line or he'll end up losing!

Ty: Ngh, err! Ahh!

Teddiursa: Ursa!

Andre: Huh? Oh no! Hang on, Ty! Wooper, use water gun at his wheel!

Wooper: Wooper! Woop!
Andre, who saw Ty's bicycle wheel on fire a bit, Wooper saved them by using water gun to stop the fire

Ty: Huh?

Andre: You're all right?

Ty: **Smile** Almost about to crash, but thanks for saving us!

Andre: Anytime!

Iosif: **Upset** It can't be! Magby, Flamethrower, now!

Magby: Mag! Mag!

Ty & Andre: **Surprised**

Andre: Aghh!

Wooper: Woop!!

Ty: Andre!

Announcer: Ohh! Magby used his flamethrower to another competitor's bicycle, directly at his wheel, and he's eliminated from the race with only a few miles left for the race to end!!
Magby's flamethrower hits Andre's bicycle wheel to melt, causing to stop and being eliminated, but Ty was saved thanks to Wooper's help

Ty: Andre!

Andre: Keep going, Ty!

Ty: **Nodded**
Ty continues to race and pursue Iosif closer to the finish line

Ty: Come on, come on! You can do this, Ty! Just a little closer!

Announcer: Look at him, ladies and gentlemen! He's continuing to speed his bicycle despite the fact that his front wheel is damaged a bit. Can he make it against another trainer to win the race!?

Lillie: He's still chasing Iosif!

Dawn: Careful, Ty...

Sarah: **A bit worried**
**Ty chases his bicycle faster as he confronts Iosif in the race for the finish line!*

Iosif: Huh!?

Magby: Mag!?

Ty: Ngh!

Teddiursa: Ursa!!

Iosif! Still not giving up!?

Ty: We're not done yet!

Announcer: They're getting closer to the finish line, folks! Who will reach first!

Ash & his friends: **In a bit worried**

Ty: Ngh!

Iosif: Ngh! Now it's for you to lose! Magby, Fire Punch!

Magby: Mag! Mag!

Ty: Teddiursa, Payback!

Teddiursa: Teddiursa!

Magby: **Surprised** Mag!?

Iosif: **Surprised** What!?

Teddiursa: Teddiur...sa!!

Magby: **Being hit**

Iosif: Ahh!! Ah, ah! Whoaa!!
After Magby was countered hit by Teddiursa's attack, this causes Iosif losing his focus and struggling to ride his bicycle

Iosif: Aahhh!!

Ty: Aahhh!!

Ash & his friends: **Surprised**

Pikachu: Pika!!
Ty and Iosif reached the finish line with Ty reaching it first, he was the winner

Iosif: **Calmly** Ahem...congratulations, Ty. You deserve your victory.

Ty: Thanks, Iosif. That was a good race and a battle.

Iosif: Yeah, and you did great. And I must apologize from earlier today. I've regretted that.

Ty: Well in that case–

Max: I'm sorry, but Ty doesn't owe you an apology.

Ty & Iosif: Eh?

Ash & his friends: Huh?

May: Max?
Max interrupts Iosif, thinking that he's trying to antagonize him again

Max: **A bit frowned** Just ignore him, he's planning to mock him again.

Raye: **Smile** Max, it's okay, he apologized already.

Max: **Smile** Yeah, Max. He appears to redeem himself.

Ash: Even though he lost, he respects Ty's victory.

Iosif: That's right. I'll be a better person next time. I'll give you my word.

Max: Hmm...
Max thinks a bit until he finally forgave him

Max: ...**Sigh & smiles** All right. I guess I accept your apology.

Iosif: Thanks, Max.
Max and Iosif handshaked as he prepares to leave with his Magby

Iosif: Good race, Ty. And next time I'll race you again in the next competition.

Ty: Sure. But I gotta focus on my goal, and get my next gym badge.

Teddiursa: Teddiursa.

Iosif: **Chuckles** Much obliged. Well then...stay safe you guys.
Iosif bids a farewell to Ash's team and leaves to his unknown destination, the gang watches him
